June 9, 2014

Dear UNION Brothers and Sisters,

Local 478 is working in conjunction with a number of other unions and the AFL-CIO to host three events over the summer that will enable us to energize our membership and convey the message to our elected officials that the number one priority of Connecticut workers is the creation of jobs through long term investment by the State of Connecticut. To that end, we will be hosting three summer outings on the third Thursday of June, July and August. The evenings will include a barbeque, cold beer and soda and visits from a number of state and congressional officials who will address job creation and workforce expansion.

This is a family event with spouses, significant others and children welcome. A number of town committee members and pro-job groups will also be joining us. Therefore, I hope you will consider this my personal invitation to you and your members to come to the Local 478 Hall in Hamden from 4:30 to whatever time they want to leave on Thursday June 19, Thursday, July 17 and Thursday, August 21. We have included a flyer so you can spread the word.

Looking forward to seeing you next week and throughout the summer,

Craig Metz
Business Manager
